

## Drywall Tapers/Finishers-All Levels

### THE COMPANY

With over 18 years of successful commercial and multi-story residential construction, All Wall Contracting is one of the leaders in the industry of specialty contractors. With our extensive scope of work capability inclusive of metal framing, drywall, EIFS, painting and specialty coatings, we deliver a complete and quality package to General Contractors and building owners across the Northwest and Alaska. We have a state of the art headquarters located in Post Falls, Idaho and a secondary satellite office in Anchorage, Alaska where we are able to connect to all job sites whether local or in remote areas.

With our diverse management team and workforce we are able to complete a vast variety of projects from Government work to Clinics and Schools in small villages of Alaska. With over 150 employees we continue to strive for excellence on each project.
